The TRANSACTION representing the balance shall not be presented to VALITOR until the merchandise is delivered or the services performed. Separate AUTHORISATIONS are required on the "deposit" and "balance" parts of the TRANSACTION and TRANSACTIONS will reflect "deposit" or "balance" according to CARD SCHEME RULES and regulations. No AUTHORISATION with respect to a "deposit" TRANSACTION shall bind or obligate VALITOR to thereafter authorise the "balance" portion.

12. Security, Information Retention and Data Storage

12.1. MERCHANT must not sell, purchase, provide, exchange or in any manner disclose a CARD account number, TRANSACTION, or personal information of or about a CARDHOLDER to anyone other than its acquirer or to the CARD SCHEMES. This prohibition applies to CARD imprints, TIDs, carbon copies, mailing lists, tapes, database files, and all other media created or obtained as a result of a TRANSACTION. Under no circumstances may MERCHANT store in any system or in any manner discretionary card-read data, CVV/CVC, CVV2/CVC2 data, iCVV, PIN, address verification service data, or any other prohibited information as set forth in the CARD SCHEME RULES and PCI-DSS. MERCHANT undertakes to introduce, comply with and maintain new procedures as they may change from time to time as published on www.visaeurope.com, www.mastercard.com and www.pcisecuritystandards.org. VALITOR may specify a time limit for compliance.

12.2. Before completing any TRANSACTION, MERCHANT is required to comply with all security procedures that VALITOR requires MERCHANT to comply with from time to time and to attempt, by reasonable, discreet and appropriate means, to retain a CARD if so requested by VALITOR.

12.3. MERCHANT (and/or, as applicable, its TPI on its behalf) agrees to retain all TRANSACTION data in the strictest confidence and in a secure environment where they can only be accessed by authorised members of MERCHANT's staff (and/or TPI's staff, if applicable), and to ensure that any such details stored electronically are fully protected, correct, complete, not lost or damaged and can be reconstituted, in a complete and easily readable form. VALITOR will take all reasonable precautions to ensure that any CARDHOLDER information or TRANSACTION data is not disclosed to any person other than VALITOR or misused by any person, unless otherwise required by any APPLICABLE LAW or by the CARD SCHEME RULES.

12.5. MERCHANT (and/or, as applicable, its TPI on its behalf) must retain TRANSACTION records, including, to the extent available depending on the TRANSACTION type, receipts, vouchers, TERMINAL tally rolls, invoices, or equivalent documents or electronic records relating to each TRANSACTION. All the above mentioned TRANSACTION records must be kept by MERCHANT (and/or, as applicable, its TPI on its behalf) in a safe, secure and confidential manner for at least eighteen (18) months from the date of the relevant TRANSACTION (or in the case of PRE-AUTHORISED RECURRING TRANSACTIONS, at least eighteen (18) months from the date of the last TRANSACTION forming part of the PRE-AUTHORISED RECURRING TRANSACTION).

12.6. After seven (7) months from the date of a TRANSACTION, MERCHANT may, subject to VALITOR's prior written approval, transfer all the information referenced in clause 12.5 to fully legible microfiche or processed images. The microfiche or processed images must then be securely stored and kept confidential by MERCHANT for the remainder of the eighteen (18) months.

12.7. MERCHANT may not retain or store magnetic stripe or CVV2/CVC2 data after AUTHORISATION for a TRANSACTION has been received.

12.8. VALITOR will not in any circumstances (other than if due to VALITOR's negligence) be liable in respect of the face value of any TRANSACTION data, or the costs of reconstituting such data, or for any other loss or damage arising on any loss of TRANSACTION data. If any loss or damage to the physical medium containing any TRANSACTION data occurs and it is agreed or shown to be due to our negligence, VALITOR will reimburse MERCHANT the replacement value of the lost or damaged medium.

12.9. MERCHANT agrees to comply with the PCI DSS (as is more particularly referred to in the MOI), VISA "Account Information Security Programme" and the MASTERCARD "Site Data Protection Programme", and any changes to those programmes and standards which may occur. VALITOR will promptly provide MERCHANT with details of such data standards, and the programmes, on written request. MERCHANT will confirm to VALITOR in writing that all third parties that store, transmit or process TRANSACTIONS on MERCHANT's behalf are fully compliant, where applicable and when considered as a combined, overall solution, with such standards and programmes. In the event that VALITOR reasonably deems MERCHANT to be non-compliant with PCI DSS, VALITOR will issue MERCHANT with a non-compliance notice and MERCHANT shall promptly remedy areas of non-compliance. VALITOR may charge a fee for non-compliance.

13. Clearing

MERCHANT must forward valid TRANSACTIONS for clearing to VALITOR no later than three (3) BUSINESS DAYS after the date of a TRANSACTION. If at the time of TRANSACTION, the CARDHOLDER agrees to a properly disclosed delayed delivery of the services, then clearing must be no later than three (3) days after the date of shipping. If MERCHANT cannot meet the agreed upon time limit, MERCHANT shall obtain the CARDHOLDER's approval for shipping and if approval is obtained a new AUTHORISATION should be done. VALITOR can at its discretion accept or deny clearing TRANSACTIONS six (6) months from AUTHORISATION date.

14. Complaints

14.1. MERCHANT shall respond promptly to inquiries from CARDHOLDERS in accordance with MOI and shall resolve any disputes amicably. If unresolved disputes occur with a frequency unacceptable to VALITOR, based on consideration of businesses similar to the MERCHANT if possible, VALITOR may terminate this MERCHANT Agreement in accordance with clause 31. VALITOR reserves the right to charge MERCHANT reasonable fees and reimbursement on account of excessive CARDHOLDER inquiries, refunds or CHARGEBACKS.

14.2. Any complaints by CARDHOLDER to MERCHANT about the merchandise or services provided by MERCHANT shall be settled by MERCHANT and the CARDHOLDER. VALITOR is not liable for any claims arising from such complaints or the business relationship between MERCHANT and the CARDHOLDER and VALITOR shall not undertake any intercession under the circumstances that such claims arise. MERCHANT shall treat any complaints from CARDHOLDERS in the same way as complaints from any other customers.

14.3. VALITOR shall respond to any complaint from the MERCHANT regarding issues arising from or in connection with Directive 2015/2366 within fifteen (15) BUSINESS DAYS. In circumstances where VALITOR cannot respond within the given time limit, for reasons beyond VALITOR's control, VALITOR shall notify the MERCHANT of that fact and the reasons for the delayed response. In any event, VALITOR shall provide a final response to a complaint from a MERCHANT, under this clause, within thirty five (35) BUSINESS DAYS after the day VALITOR receives the complaint.

15. CHARGEBACK

15.1. Any CHARGEBACK represents a debt immediately due and payable by MERCHANT to VALITOR. If an ISSUER exercises its rights not to settle or to undertake a CHARGEBACK in accordance with the CARD SCHEME RULES, VALITOR will immediately, and without notice, be entitled, and MERCHANT will allow VALITOR, to debit the MERCHANT BANK ACCOUNT, or to recover from MERCHANT by any other means or on any other timescales, the amount paid by VALITOR to MERCHANT in respect of that TRANSACTION. VALITOR's right to do this will be as detailed in the CARD SCHEME RULES, only, and will not be affected by any arrangement between MERCHANT and the CARDHOLDER. For the avoidance of doubt, VALITOR may invoice MERCHANT for CHARGEBACK amount if VALITOR (at its sole discretion) has decided not to debit the MERCHANT BANK ACCOUNT.

15.2. The following is a non-exhaustive description of circumstances where a CHARGEBACK may arise, and there

may be other parts of this MERCHANT Agreement which give rise to a CHARGEBACK or other circumstances (such as those listed in the MOI) not referred to in this MERCHANT Agreement which may give rise to a CHARGEBACK:

- a. the TRANSACTION is for any reason illegal or of no legal effect;
- b. the CARD used in the TRANSACTION no longer bears the authenticity features referred to in the MOI, or is damaged or has been changed or tampered with, or is unsigned or if any signature presented by the person presenting the CARD does not match the signature on the back of the CARD, or has expired, is not yet valid or has been cancelled or revoked, at the date of the TRANSACTION;
- c. the amount of the CARD TRANSACTION was a RECURRING TRANSACTION or involved an International Maestro CARD or Visa Electron CARD but the TRANSACTION was not authorised;

- e. the goods and/or services to be supplied by MERCHANT under the TRANSACTION have not been supplied, or are defective or not as described, or the purpose of the TRANSACTION is to credit the CARDHOLDER's account;
- f. the information recorded in the sales receipt presented to the CARDHOLDER materially differs from the information contained in TRANSACTION data presented for SETTLEMENT;
- g. VALITOR has notified MERCHANT, whether in a list or otherwise, that the CARD is fraudulent, lost or stolen;
- h. two or more sets of TRANSACTION data have been completed or sent for SETTLEMENT in respect of a single CARD TRANSACTION;
- i. the TRANSACTION is not directly between MERCHANT and the CARDHOLDER, or where MERCHANT had or ought to have had reasonable doubts that the person presenting the CARD is not the CARDHOLDER;
- j. the TRANSACTION data is incomplete or not presented to for SETTLEMENT within relevant time limits;
- k. the CARDHOLDER disputes or denies having authorised the TRANSACTION and MERCHANT is unable to provide evidence satisfactory to VALITOR that the TRANSACTION was so authorised (including with respect to the value of the TRANSACTION);
- l. the TRANSACTION is a CARD NOT PRESENT TRANSACTION or involves cashback and is disputed by the CARDHOLDER and/or ISSUER;
- m. the TRANSACTION in dispute is a CARD PRESENT TRANSACTION where a chip and PIN CARD is presented and MERCHANT has not required the person presenting the chip and PIN CARD to enter a PIN in a PIN entry device; or

- n. the TRANSACTION is charged back for any other reason within the relevant CARD SCHEME RULES.
- 15.3. VALITOR is not obliged to notify MERCHANT of any defect in any TRANSACTION data, or other liability to CHARGEBACK except where a CHARGEBACK is in fact made or to procure, or assist MERCHANT in procuring, payment from a CARDHOLDER where the relevant TRANSACTION has been charged back to MERCHANT.
- 15.4. VALITOR is not obliged to assist MERCHANT in procuring payment of any sums that may be properly due to MERCHANT from the CARDHOLDER if the TRANSACTION has been the subject of a CHARGEBACK for any reason.
- 15.5. MERCHANT acknowledges that CHARGEBACKs can occur a considerable time after the original TRANSACTION and agrees that, notwithstanding any termination of this MERCHANT Agreement, VALITOR remains entitled to recover CHARGEBACKs and any associated costs from MERCHANT.
- 15.6. MERCHANT is responsible for monitoring COPY REQUESTs and CHARGEBACKs through BACK OFFICE and upon receipt of any COPY REQUEST undertakes to supply to VALITOR the required documentation within seven (7) BUSINESS DAYS.
- 15.7. In the event that MERCHANT wishes to dispute a CHARGEBACK, it remains MERCHANT's responsibility to prove to the satisfaction of VALITOR, the CARD SCHEME, CARD ISSUER or other financial institution that the debit of the CARDHOLDER's CARD or account was authorised by the CARD and/or account holder. MERCHANT must provide VALITOR, the CARD SCHEME, CARD ISSUER or other financial institution any such evidence required to support the claim.
- 15.8. VALITOR or TPI shall not be obliged to investigate the validity of any CHARGEBACK. MERCHANT agrees that a decision by the CARD SCHEME as to the validity of any CHARGEBACK shall be final and binding.
- 15.9. MERCHANT undertakes to use all reasonable efforts to maintain CHARGEBACK and fraud rates at a level acceptable to VALITOR and the CARD SCHEMES. If the ratio of CHARGEBACKs to TRANSACTIONs or fraud to sales exceeds 1% for a period of longer than three calendar months, VALITOR may terminate the MERCHANT Agreement in accordance with clause 31.
- 15.10. MERCHANT agrees that they will be liable for any CARD SCHEME fines levied in respect of unacceptable CHARGEBACKs or fraud to the extent it arises as a result of MERCHANT's breach of this MERCHANT Agreement or the CARD SCHEME RULES or failure to follow VALITOR's reasonable instructions.
- 15.11. A reporting fee may be charged to MERCHANT for each report that VALITOR needs to send to CARD SCHEMES on behalf of the MERCHANT according to CARD SCHEME rules, including but not limited to CHARGEBACK-Monitored Merchant (CMM) Report, Excessive CHARGEBACK Merchant (ECM) Report and fraud report.
- 15.12. If MERCHANT disagrees with VALITOR's decision to charge back a TRANSACTION, MERCHANT must so notify VALITOR in writing within seven (7) days of the CHARGEBACK and provide documentation that the dispute

has been resolved to CARDHOLDER's satisfaction or proof that a credit has been issued. VALITOR's failure to charge, recoup or set off the amount does not waive VALITOR's CHARGEBACK rights.

16. SETTLEMENT and DIRECT DEBIT

- 16.1. The CARD SCHEMES settle with VALITOR in the respective currency of an account setup for each MERCHANT and VALITOR. VALITOR's payment to MERCHANT shall be made in the same currency as the SETTLEMENT by the CARD SCHEMES in accordance with an agreement between MERCHANT and VALITOR and subject to the payment terms stated in SCHEDULE OF FEES. If there is a non-SETTLEMENT date in any particular SETTLEMENT currency, as determined by the Central Bank associated with the designated SETTLEMENT currency, VALITOR may postpone SETTLEMENT to MERCHANT until VALITOR is able to settle payments in that currency.
- 16.2. TRANSACTIONs will be settled in accordance with the SCHEDULE OF FEES. VALITOR shall deliver payment to MERCHANT by a credit to the MERCHANT BANK ACCOUNT. This credit will be reduced, if necessary, by: (i) the sum of all CARDHOLDER charges denied, refused or charged back; (ii) all refunds processed on account of CARDHOLDERs during said time period; (iii) the fees and charges, including CHARGEBACKs the MERCHANT owes VALITOR hereunder and calculated foreseeable fees; (iv) any justified claim against MERCHANT, irrespective of whether the claim is because of SETTLEMENT or adjusting entries, or originates in other business between the parties; (v) all taxes, penalties, fines, charges and other items incurred by VALITOR that are reimbursable pursuant to this MERCHANT Agreement.
- 16.3. Where VALITOR is required to deliver payment to MERCHANT via a PAYMENT SERVICE PROVIDER, MERCHANT agrees that such payment is a discharge of VALITOR's obligations to the MERCHANT under this MERCHANT Agreement and CARD SCHEME RULES.
- 16.4. VALITOR may, with or without notice to the MERCHANT, change processing or payment terms and/or suspend SETTLEMENT of any TRANSACTION(s) if: (i) VALITOR reasonably believes that the TRANSACTIONs may be fraudulent or relate to criminal activity; (ii) VALITOR reasonably believes MERCHANT may be in breach of its obligations under this MERCHANT Agreement; (iii) the TRANSACTION was not in the ordinary course of MERCHANT's business; (iv) if the number and/or size of the TRANSACTION(s) is significantly greater than expected for a business of MERCHANT's size or type; (v) if any of the termination events in clause 31 has occurred; (vi) if VALITOR (acting reasonably) suspects that any such termination events in clause 31 has occurred (whether or not VALITOR has terminated this MERCHANT Agreement); (vii) VALITOR suspects (acting reasonably) that MERCHANT's financial position has deteriorated (as shown by MERCHANT's financial accounts, including management accounts, or otherwise); (viii) based on VALITOR's reviews (from time to time) of MERCHANT's processing history VALITOR is of the opinion that there is a potential risk of loss to VALITOR through excessive CHARGEBACKs; (ix) VALITOR reasonably believes that MERCHANT may be in breach of CARD SCHEME RULES, APPLICABLE LAW and/or this MERCHANT Agreement, and VALITOR has initiated or intends to initiate screening of MERCHANT or TRANSACTIONs (such as Know Your Customer (KYC)

Rapyd

- check); (x) MERCHANT has failed to pay amount due to VALITOR under this MERCHANT Agreement on its due date. All payments so suspended may be retained by VALITOR until VALITOR has satisfied itself that such TRANSACTION(s) is/are legitimate and/or no longer liable to be the subject of a CHARGEBACK. In particular in such circumstances, VALITOR may move MERCHANT on to a system under which VALITOR settles such TRANSACTIONS by holding back payments to MERCHANT for a pre-determined number of days. No interest shall accrue in respect of any such amount that is so withheld or deferred. Suspension will remain in force until such time as investigation into the matter has been satisfactorily completed by VALITOR, any other financial institution or third party.
- 16.5. If a portion of MERCHANT's assets becomes subject to attachment, distraint or other equivalent sequestration or MERCHANT enters insolvency proceedings, commences upon debt negotiations, ceases payments or acknowledges insolvency, VALITOR is authorised to withhold payments otherwise due to MERCHANT in order to guarantee potential claims it may need to make against MERCHANT. In exercising this provision, VALITOR will not withhold more capital than VALITOR, in its reasonable discretion, deems necessary for such a guarantee and will not hold such capital for longer than necessary.
- 16.6. In case this MERCHANT Agreement is terminated as a result of the breach and/or according to clause 31, VALITOR is entitled to withhold SETTLEMENT, whether due or not, if VALITOR's aggregated coverage with MERCHANT's is not satisfactory based on VALITOR's risk calculation, which is based on recognized risk factors, such as merchant sectors, delayed delivery, merchant volume, etc. The SETTLEMENT will be paid out according to VALITOR's risk calculation.
- 16.7. MERCHANT shall duly notify VALITOR in writing within thirteen (13) months from date of SETTLEMENT if it considers a SETTLEMENT to be unauthorised or incorrect, specifying the incorrect TRANSACTIONS. If VALITOR has not received written observations from MERCHANT within that period, VALITOR may, at its own discretion consider the relevant SETTLEMENT to be in final form.
- 16.8. Notwithstanding clause 16.7 above, in the event of incorrect SETTLEMENT to MERCHANT to which MERCHANT is not entitled in accordance with this MERCHANT Agreement, VALITOR shall be entitled to subtract the amount from subsequent amount referred for SETTLEMENT. Furthermore, VALITOR shall be entitled to claim repayment without delay of such amounts or any other claim to which VALITOR is entitled against MERCHANT in connection with this MERCHANT Agreement.
- 16.9. In certain circumstances VALITOR may, with prior notification to MERCHANT, only settle payments to MERCHANT BANK ACCOUNT if the funds to be transferred exceed a minimum of 1 unit of the corresponding currency. Where the amount payable by VALITOR to MERCHANT is lower than the minimum amount the amount payable is deferred until the total amount reaches the minimum limit.
- 16.10. MERCHANT will maintain a MERCHANT BANK ACCOUNT in MERCHANT's name throughout the term of this MERCHANT Agreement and for such a period as may be required thereafter for the purpose of complying with any applicable provisions of this MERCHANT Agreement. When applicable, MERCHANT will maintain with the MERCHANT BANK ACCOUNT bank an instruction to authorise VALITOR to directly debit the MERCHANT BANK ACCOUNT all sums that become due and payable by MERCHANT to VALITOR under or in connection with this MERCHANT Agreement.
- 16.11. VALITOR may, in addition to and without prejudice to the exercise of any rights under clauses 16.2, 16.4, 16.5, 16.6 and 16.7, debit the MERCHANT BANK ACCOUNT for all sums that are due and payable to VALITOR under or in connection with this MERCHANT Agreement in accordance with the terms of the direct debit mandate maintained by MERCHANT under clause 16.10, when applicable.
- 16.12. MERCHANT will ensure that the MERCHANT BANK ACCOUNT shall at all times have enough credit balance to meet the sums payable to VALITOR under or in connection with this MERCHANT Agreement. VALITOR will, if practicable, notify MERCHANT in advance of the sums payable to VALITOR, in due time, which will be debited by DIRECT DEBIT, when applicable.
- 16.13. MERCHANT shall notify VALITOR in writing and in advance, within a reasonable time period, of any changes proposed by MERCHANT to the MERCHANT BANK ACCOUNT and shall not implement changes without VALITOR prior written consent.
- 16.14. VALITOR may at its sole discretion at any time change the SETTLEMENT procedure and either deduct MERCHANT's service fees and all other liabilities and payments due prior to SETTLEMENT or make a gross SETTLEMENT to MERCHANT.
- 16.15. VALITOR reserves the right to claim interest on any payment (in any currency) due and payable to VALITOR that cannot be collected when it becomes due, at a rate equal to 4% above the base rate of the Bank of England from time to time. Default interest (if unpaid) arising on an overdue amount will be compounded.
- 16.16. Without limiting the generality of any other provision of this MERCHANT Agreement, if VALITOR or TPI, take legal action against MERCHANT for any CHARGEBACKs or any amounts due to VALITOR or TPI hereunder, MERCHANT shall pay the costs and attorneys' fees incurred by VALITOR and/or TPI, whether proceedings are commenced or not.
17. *Set-off*
- 17.1. In addition to any other legal or equitable remedy available to VALITOR in accordance with this MERCHANT Agreement or by law, VALITOR may at any time (without notice to MERCHANT) set off and apply any or all amounts due and payable (present, future, actual or contingent or potential, liquidated or unliquidated) to VALITOR, and any of VALITOR's affiliates providing payment services or related services to MERCHANT, under this MERCHANT Agreement, an agreement with any of VALITOR's affiliate or under some other agreement between MERCHANT and any VALITOR entity, against any or all amounts due and payable by VALITOR to MERCHANT or to the RESERVE ACCOUNT or to any property of MERCHANT in the possession or control of VALITOR or TPI. Claimants' formal collection measures against MERCHANT's balance with VALITOR, bankruptcy proceedings against the MERCHANT's estate or the transfer by MERCHANT of its claims against VALITOR to a third party by no means limits this right unless otherwise provided for by law, or VALITOR

especially having abandoned its debt-balancing AUTHORISATION or especially consented as transferee or holder of lien.

- 17.2. MERCHANT may not set-off any of VALITOR's liabilities under this or any other agreement against any amounts due to VALITOR from MERCHANT.

18. *Adjustments and Returns*

- 18.1. MERCHANT will maintain a fair exchange and return policy and make adjustments with respect to goods and services sold and/or leased to its customers whenever appropriate. If, in the usual course of MERCHANT's business, MERCHANT provides refunds to MERCHANT's customers, MERCHANT must also provide refunds to CARDHOLDERS on the same terms MERCHANT provides refunds to MERCHANT's other customers. If goods are returned, or services are terminated or cancelled, or any price is adjusted, MERCHANT will prepare and transmit a credit or refund TRANSACTION, electronically, for the amount of the adjustment as a deduction from the total amount of TRANSACTIONS transmitted that day. If the amount of credit or refund TRANSACTIONS exceeds the amount of sales TRANSACTIONS, MERCHANT shall pay VALITOR the excess. MERCHANT shall make no cash refunds on TRANSACTIONS and shall handle all credit adjustments as provided in this section. If no refund will be given, CARDHOLDER must be advised in writing at the time of the TRANSACTION that the sale is a "final sale" and "no returns" are permitted. CARDHOLDER must also be advised in writing of any policy of MERCHANT that provides for no-cash refunds and in-store credit only. MERCHANT shall follow CARD SCHEME reservation/no-show policies. MERCHANT shall notify CARDHOLDERS in writing of this policy on all advance reservations. MERCHANT also shall notify CARDHOLDERS at the time of the reservation of the exact number of days required for reservation deposit refunds.

18.2. MERCHANT agrees that:

- a. MERCHANT will not effect a refund by cash or cheque or any other method for goods and/or services paid for by CARD;

- d. MERCHANT will not accept money from a CARDHOLDER or third party in connection with processing a refund to the CARDHOLDER's account.

19. *Retention of Original TRANSACTION Receipt*

Except where no receipt is issued in respect of a contactless TRANSACTION, MERCHANT is responsible for safeguarding the originals of TRANSACTION receipts in an organised manner for thirteen (13) months from the date of the TRANSACTION receipt. MERCHANT is obligated for as long as thirteen (13) months from the date of a TRANSACTION receipt to present to VALITOR, TPI or the relevant bank or savings bank the originals of individual TRANSACTION receipts if requested. The delivery shall be within five (5) BUSINESS DAYS from the date a request is made, irrespective of whether the reason for the request is disagreement or because the TRANSACTION receipts need

to be registered because of failure in their electronic dispatch. If MERCHANT neglects such a request or sends false TRANSACTION receipts VALITOR is authorised to present a claim against MERCHANT for the amount of the TRANSACTION.

20. *Confidentiality*

- 20.4. MERCHANT shall not, except for the purposes of this MERCHANT Agreement, compile or make use of any information relating to any TPI and VALITOR, any CARD SCHEME, any CARD, any CARDHOLDERS or the terms of this MERCHANT Agreement or any documents provided with it, except where necessary for the performance of this MERCHANT Agreement. MERCHANT shall use MERCHANT's best endeavours to ensure that MERCHANT's employees and agents will maintain strictest confidence with respect thereto and not divulge or communicate to any third party information concerning VALITOR's business or TRANSACTIONS of CARDHOLDERS which may come to the notice of MERCHANT during the term of this MERCHANT Agreement. VALITOR will use its reasonable endeavours to ensure that VALITOR's employees and agents maintain such information in strictest confidence.

- 20.5. MERCHANT acknowledges that VALITOR may disclose information about MERCHANT's business and activity to VALITOR's associated companies, the police, CARD SCHEMES, any competent regulatory authority, or any other investigating body for use in the prevention or detection of fraud or other criminal activity, or to any credit reference agency which VALITOR also uses as a source of information, and other disclosure in accordance with clause 4.

21. *Term*
